

Amendments to the Drawings:

Please replace drawing sheet 1 depicting Fig. 1 with the enclosed Replacement Sheet.

See attachment of Replacement Drawings.

REMARKS**I. Status of the Application**

Claims 10-29 are pending in this application. In the April 12, 2007 office action, the

Examiner:

A. Objected to claims 10-29 due to informalities, but indicated that claims 10-29 were allowable if the objections are overcome; and

B. Objected to Figure 1 because blocks 10 and 16 are not labeled.

In this response, applicants have amended Fig. 1 as requested by the examiner and amended claims 10-29 to remove the informalities cited by the examiner.

II. Conclusion

For all of the foregoing reasons, it is respectfully submitted the applicant has made a patentable contribution to the art. Favorable reconsideration and allowance of this application is therefore respectfully requested.

In the event applicant has inadvertently overlooked the need for an extension of time or payment of an additional fee, the applicant conditionally petitions therefore, and authorizes any fee deficiency to be charged to deposit account 13-0014.

July 11, 2007

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Russ Fowler", with a long horizontal flourish extending to the right.
